Professional Development Meeting

Wednesday, September 16, 2009

Student Night
Membership Appreciation Night

Julie Andreu MBA CPIM
Senior Product Analyst

IFS

[More on this month's speaker below](#)

The Value of an APICS Certification

In these difficult economic times, why should someone be interested in APICS Well, Julie Andreu of Vice President of Education will provide an overview of the Educational offerings available from APICS. We will review the courses and workshops offered by APICS as well as the benefits of a CSCP or CPIM certification. You will hear first hand how an APICS certification has helped some of our members advance their careers.

Students are highly encouraged to attend

Location

University of Arizona
Student Union

Julie Andreu

About the Speaker:

Julie Andreu, CPIM, currently works as a Sr. Product Support Analyst for IFS, an ERP software company. Julie has over 25 years experience in the manufacturing field. She started her manufacturing career in Nogales, AZ when she joined The Chamberlain Group, Inc, the world's largest manufacturer of garage door openers. Julie started as a Material Expediter and moved up through the ranks into Materials Management and Purchasing positions. After 17 years, Julie left Chamberlain, relocated to Tucson and worked for Augat Wiring, a Tier1/Tier 2 automotive wiring harness manufacturer. Julie spent 5 years working for Augat as Materials Manager and Director of Materials. Julie earned her CPIM certification in 1991 and her MBA from the University of Phoenix in 1995. Twice Julie has been voted the APICS Tucson Chapter Member of the Year, first in 2003/2004 and then again in 2005/2006. Julie became an instructor for the Tucson chapter in 2000 and has instructed various chapter courses. She joined the Board of Directors in December 2007 as VP of Education.

Chapter Information

Get involved with APICS

APICS is a vibrant professional society recognized by inventory and supply chain management professionals worldwide as the leader in certifications, education, and the resources necessary to improve business performance.

This achievement was not obtained and cannot be sustained without the countless contributions made by our volunteer community.

Vision & Mission Statement

Our Vision:

To inspire lifelong learning and enhancement of individual and chapter success.

Our Mission:

To be the leader and premier provider of individual and organizational education, standards of excellence, and information in Integrated Resource Management.

Tucson Chapter Mission Statement:

To help the business and educational community meet challenges of professional growth by providing high quality resource management education.
